Check out this guide to find the best washing machine brands (top-load or front-load) for your home and family.The Smart Samsung WF6500 4.5 cu. ft. AddWash™ Front Load WasherBefore you pick your perfect washing machine, you'll need to size up your space and set up plumbing for a washing machine. The Samsung WF6500 is a front load washer with an AddWash door that allows you to drop those dirty socks right into the machine during a wash cycle. The washer is just 27 inches wide, offers 4.5 cubic feet of interior space and washes a full load in under 40 minutes. Control the washer remotely from your smartphone, use steam power settings for stain removal and marvel at the fingerprint-resistant finish that keeps the washing machine clear of smudges. The Samsung WF6500 is one of the highest-rated washing machines on the market.Electrolux Perfect Steam EFLS617SIW Front-Load WasherBrand new washing machines and second-hand washing machines are both great as long as they get the job done. The Electrolux Perfect Steam offers nine cleaning cycles, a steam clean option and a stain-soaking feature to take care of those set-in stains. This front-load washer premixes water with your detergent, fabric softener and stain remover so that those products are evenly distributed throughout the laundry load. The Electrolux Perfect Steam gets a quick wash finished in just about 15 minutes, with presets for stains like blood or chocolate so that you don't accidentally use the wrong water temperature. The washer door reverses easily to open in either direction, and the Electrolux Perfect Steam's sleek exterior gives it a futuristic look.LG Electronics LGWM3770HVA High-Efficiency Front Load WasherLG Electronics offers some of the best-rated washing machines in both front-load and top-load models. The LGWM3770HVA offers a 4.5-cubic-foot capacity with space for almost 20 pounds of laundry per load. A Super Clean Cycle heats the water to 185 degrees Fahrenheit, removing stains and allergens (as recommended by the Asthma and Allergy Foundation of America). The LGWM3770HVA comes with the LG washing machine manual to get you started quickly. Use the speedy cycle to clean a small load of clothes in around 15 minutes, or add the TWINWash system compatibility and finish two loads at once with a SideKick pedestal washer designed just for the job.Insignia NS-TWM41WH8A Top Load WonderCheck out sales on washing machines to get the lowest prices on best-reviewed brands like the Insignia NS-TWM41WH8A top loader. This agitating top-loader provides ease of use with simple automatic temperature control, automatic detergent dispenser and a rotary dial. The stainless-steel tub has a deep-fill option and a simple end-of-cycle buzzer. This washer is recommended for its ease of use, and comes with a standard one-year warranty.Samsung FlexWash WasherThe Samsung FlexWash washer houses two washers in a single machine, although they are both controlled separately. The top washer has space for your delicate items and clothing prone to damage, while the lower washer is perfect for big, heavy-duty loads of laundry. The Samsung FlexWash washes two loads at the same time, has a variety of washer settings for specialized laundry loads and offers up to five rinses in every cycle. This front-load machine is taller than a standard washer, and has five temperature options and plenty of spin control. Excellent for large families, the Samsung FlexWash is a truly flexible washing machine. MORE FROM QUESTIONSANSWERED.NET
